

The 10th Annual Niagara Celtic Heritage Festival needs you! September 18 & 19, 2010

The Niagara Celtic Heritage Society has been working hard all year on the 10th anniversary celebration of their Celtic Festival, held every September in Krull Park. Society members can't wait to show off the exciting new additions this year, which include doubling the festival size to hold a third entertainment stage, more reenactors, an expanded educational area and much, much more. In anticipation of the approximately 10,000 people (guests and participants) that will be visiting Olcott for the weekend, the society is in need of community support.

Volunteers are needed to help keep everything running smooth. Some areas include: ticket sales, parking, directing traffic, assistants, maintenance, set up and tear down, guest relations and much, much more. Shifts are four hour blocks, and to compensate for helping you receive free entrance into the festival. Volunteers are needed Friday through Monday, so please contact the society for details and to sign up.

Lodging is in high demand the weekend of the festival. Local hotels, motels, B&B's and cottages are rented far in advance, leaving few locations available for those staying the full weekend. The society is looking for anyone who has rooms available in their homes, or small cottages or apartments available for rental over the festival weekend. The information will be posted on the festival's website, allowing guest's local options, rather than traveling 30 miles or more for a room.

For those interested in **advertising** their business in the festival guide (free to every guest), please visit our website or contact us. Hurry, the deadline is August 15th!

The Niagara Celtic Heritage Festival & Highland Games is being held this year on Saturday, Sept. 18th (10 am-10pm) and Sunday, Sept. 19th (10am-6pm). Admission is \$10.00 per day, Children 12 & under are FREE, with FREE Parking. Live Celtic music, dancers, athletes, clans, re-enactors, vendors, food and children's activities come together to make the festival a truly memorable experience for all! **For more information and to help out, visit www.niagaraceltic.com or call 716.778.5730.**
