

**11th Annual Niagara Celtic Heritage Festival & Highland Games
September 17 & 18, 2011 in Krull Park, Olcott Beach**

Question: How big is the Niagara Celtic Festival after ten years?

Answer: In 2010 there were more volunteers working than the total guests and volunteers we had in our first year!

We thank you, our wonderful community, for all your continued support in bringing this magnificent event to life! This year we're expecting to draw over **10,000 people** to our area for the festival weekend. Our volunteers can't wait to show off new additions to the grounds, more vendors, more living historians and all things Irish, Scottish and Welsh! As we continue to grow however, we are looking for continued support through volunteering, advertising and sponsorship.

We are continually in need of **volunteers** to help keep everything running smooth. Some areas include: ticket sales, parking, directing traffic, assistants, maintenance, set up and tear down, guest relations and much, much more. Shifts are four hour blocks, and to compensate for helping you receive free entrance into the festival and food tickets. Volunteers are needed Friday through Monday, so please contact volunteers@niagaraceltic.com or call 716-778-5730. For those interested in **advertising** in our festival guide (free to every guest) or **sponsorship** of the festival, please visit our website or contact us.
